4.advantage & disadvantage

Advantage

Advantages of Travelling by Train (Spanish: Ventajas de viajar en tren) is a 2019 black comedy film directed by Aritz Moreno in his feature length directorial debut and written by Javier Gullón. The film is based on the novel Ventajas de viajar en tren by Antonio Orejudo and stars Luis Tosar, Pilar Castro, and Ernesto Alterio, among others. The plot concerns about a series of tales within tales triggered by a conversation on a train.

Disadvantage

One reason some travelers don't like using OTAs is the customer service, or lack thereof. Post-sale, OTAs typically become the main contact for cancellation, booking changes, or issue resolution. If something goes wrong, such as a cancellation due to an unforeseen event, travelers can be left dealing with a large company and the impersonal and unsatisfying customer service that often goes along with that. This may also affect their impression of your business.

5.application

TRAVELTRAX TOURS

6.conclusion

Nevertheless, the purpose of travel tax is to raise funds; these could be in the form of hotel tax, restaurant tax or even arrival tax for international visitors. As a tourist from India, you would need to shell out these taxes and expenses from your own pocket as they are not deductible.

7.future scope

The taste of the Indian traveller has matured over the years. Not only are Indian travellers seeking experiences that are considered more unusual and offbeat, they are also becoming more self-reliant and drawn to the seamless and discreet travel
